## EDUCATION

### Bachelors in CSIT

Siddhanath science campus / Kanchanpur / January, 2022 - Present

Studying Information Technology is very good according to my own experience as a web developer. The field of IT is expanded well for the last 50 years more than any other subject.

In modern, you can earn a high salary from the jobs regarding the fields of IT. And studying IT is not hard if you have your own interest. Don't forget that there are some paths in the field of IT. So when you are going to study, you need to choose your own path with your decision.

Paths of IT-

- Web development
- Graphic designing
- Networking
- Cloud
- Cyber Security and many more...

## TRAINING/CERTIFICATION

### web development training

SNSC IT CLUB / 2023
